

Planning Board Minutes
April 16, 2009

Present – Peter Rushton, Dan Pratt, Shanna Tracy

Absent – Dan Trembly, Norman Beaudoin, Stephen Foster

Meeting called to order at 7pm

The Planning Board met with the Long Range Planning Committee

- Mac Stocco let everyone know that there is less money in the account than was thought and that he would ask that members of the committee pitch in to work on the Comprehensive Plan
- He would like to divide up the responsibilities amongst the committee members in order to get everything done
- The focus areas of the plan were split up – 2 topics per month to be discussed
- Mac would like to get members of the community in to discuss historic trends and future projections of each focus area
 - Each area was discussed and committee members were designated certain members of the community to contact and ask if they would be willing to come to a meeting to discuss the focus areas
- It was also decided that half of the second meeting of the month would be set aside for the Long Range Planning Committee. If at all possible, it would be better if the Planning Board could try to have a lighter schedule for this second meeting to accommodate meeting with the LRPC.
- **We want to try to pencil in time for the ordinance revisions for Mac for the first meeting in June.**
